

Welcome to Aiza's Sweets!

Company Overview

Founded on March 15, 2000, Aiza's Sweets is a household name in the Philippines with their delicious pastillas, the milk candy that made the company famous, and the nation's first and original product, the Cashew Marzipan.

With a humble beginning of only seven people, Aiza's Sweets is a family run business located in the cuisine capital of the Philippines, Pampanga. It's a company with a passion to produce high quality products and to introduce the world to the finest treats that the Philippines can offer.

The company entered the mainstream market after gaining attention from retailers through their participation in Likha Tradefair. In the year 2004, the company began its partnership with SM Supermalls and now enjoying a nationwide circulation.

To ensure authentic and choice ingredients, Aiza's Sweets is also partnered with local suppliers to make their authentic Pinoy products. Overall, Aiza's Sweets has been an important part in boosting the local economy with not only their products but also with the job opportunities that they provided for the local area.

In 2005, Aiza's Sweets hit a new milestone when it distributed their first export in US and Canada. Now, nearly two decades after the initial conception, Aiza's Sweets is thriving in the local market with their outstanding products made with exceptional, all-natural ingredients and steadily gathering the attention of sweet teeth around the world.

Mission

Quality control and assurance is a paramount goal for the company. Aiza's Sweets made a promise to their customers to offer value and quality that meet the standard of the local and global markets. They are proud to have kept that promise for 18 years and running.

And to ensure that promise, Aiza's Sweets scrutinizes the product from its ingredients stage to their packaging process. The company diligently works to find new ways to prolong the life of the products without compromising their quality.

Last year, Aiza's Sweets upgraded their packaging to ensure the quality of the product's condition while packing them in a more food-friendly material.

The company's high standards extend to their manufacturing process as well. Aiza's Sweets only employs seasoned and highly-trained quality check personnel and supervisors to make sure that no sub-standard products ship out of the factories.

In addition, Aiza's Sweets is certified and cooperates with different government agencies to meet the standards of their health and safety regulations.

Aiza's Sweets firmly believes that customer experience always comes first. That is why Aiza's Sweets doesn't settle for second best.

Our Products

Aiza's Sweets believes in not only authentic and natural ingredients for their hand-crafted products, but also in giving their customers an eating experience when they munch on their treats.

Pastillas de Leche

**Chewy Milk Candy
with Native Lime Rind**

The light flavor of the key lime zest gives the treat a delightful taste. Blended with sweet milk, Pastillas de Leche is packed with calcium, a mineral beneficial to the bones and muscle.

Packaging:

SUP* 20s 4.72 oz (134g) - 20 packs/case
Box 30s 7.33 oz (208g) - 20 packs/case

Pastillas de Karot

**Chewy Milk Candy
with Shredded Carrot**

It's pretty and it's also healthy. Pastillas de Karot's appetizing look is credited to the bright colors of speckled real carrot bits. The carrot loads the candy with antioxidants, which lower the risks of cancer and heart disease.

Packaging:

SUP* 20s 4.72 oz (134g) - 20 packs/case
Box 30s 7.30 oz (207g) - 20 packs/case

Pastillas de Buko Pandan

**Chewy Milk Candy
with Young Coconut & Screw Pine Extract**

This milk based candy is made by combining the extract of pandan leaves and shreds of coconut meat. The pandan extract makes the candy aromatic, while the coconut meat makes it fibrous and rich in potassium.

Packaging:

SUP* 20s 4.69 oz (133g) - 20 packs/case

Box 30s 7.47 oz (212g) - 20 packs/case

Pastillas de Langka

**Chewy Milk Candy
with Ripe Jackfruit**

This chewy treat is lined with actual chunks of jackfruit, a tropical fruit known for its natural sweetness despite its strong smell. Jackfruit is lush with fructose and sucrose that are both needed to energize the body.

Packaging:

SUP* 20s 4.72 oz (134g) - 20 packs/case

Box 30s 7.30 oz (207g) - 20 packs/case

Pastillas de Ube

**Chewy Milk Candy
with Purple Yam**

Although the root vegetable is a little savory, mixing ube in this milk-based dessert gives the candy a surprisingly sweet tang. Heavy with vitamin E, ube promotes healthy skin and a strong heart.

Packaging:

SUP* 20s 4.72 oz (134g) - 20 packs/case

Box 30s 7.47 oz (212g) - 20 packs/case

Pastillas de Ube Macapuno

**Chewy Milk Candy
with Purple Yam &
Gelatinous Mutant Coconut**

The rich flavor of ube and the subtle taste of macapuno are a perfect pair. Because of its authentic macapuno pieces, the goody is great for digestion.
